STREETS, HOUSES AND OCCUPANTS

—OF THE—

CITY OF NORFOLK FOR 1892.

Arranged Alphabetically and Numerically, with Occupants Name after each House.

NOTE.—Blanks after numbers signify that such are vacant. Dash (—) before the names denote the house should have a number between the one preceeding and following it.

— There are hundreds of duplicate and incorrectly numbered houses in Norfolk and it is hoped the Council will pass an Act requiring their re-numbering before the next issue of the Directory.

Valentine's Meat Juice.

Recommended by the Medical Profession of the United States, Great Britain and Germany, and by the Physicians of the Insane, Inebriate and General Hospitals.

AWARD.

International Exhibition, Philadelphia, 1876.

"For Excellence of its method of preparation, whereby it more nearly represents fresh meat than any other extract of meat, its freedom from disagreeable taste, its fitness for immediate absorption and the perfection in which it retains its good qualities in warm weather."

SEA-SICKNESS.

I have great pleasure in stating that Valentine's Meat Juice has been in a great number of cases, the first thing that has been retained on the stomach in sea-sickness.

SIBTHROPE BRADLEY, M. D.

Surgeon Cunard R. M. S., Parthia.

REPORTS FROM AMERICAN AND RED STAR LINES.

I gave the Meat Juice in five cases of sea-sickness, and in each instance it afforded great relief, giving nutrition to the system and tone to the stomach. The Meat Juice offers the best mode of supplying strength to the depressed vitality in sea-sickness of anything yet suggested. I can confidently say that its use on your steamers will meet the approval of their passengers, as it has met my hearty commendation.

C. M. DRAKE, M. D., Steamship Switzerland.

I have administered Valentine's Meat Juice in all stages of sea-sickness, and find that after the second day of nausea patients retain in their debilitated stomachs this food more readily, perhaps, than any other.
